

## **Yugoslav Journal of Operations Research - YUJOR Special Issue on Variable Neighborhood Search**

The EURO Mini-Conference on Variable Neighborhood Search (VNS) took place in Herceg Novi, Montenegro, October 4th-7th 2012, where researchers all around the world presented their most recent findings on VNS, either from a methodological viewpoint or as applications to real world problems.

We are very glad to invite authors to submit their work to a special issue of the Yugoslav Journal of Operations Research – YUJOR, devoted to selected papers on Variable Neighborhood Search presented at this conference.

All contributions will be peer reviewed. The proposed deadlines for a paper are as follows:

- Submission of a manuscript: December 31, 2012.
- Completion of the first review round: March 31, 2013.
- Publication of the accepted paper: by the end of 2013.

Before submission authors should carefully read the YUJOR Author Guidelines on page

<http://yujor.fon.bg.ac.rs/index.php/journal/about/submissions#authorGuidelines>

Prospective authors should submit an electronic copy of their complete manuscripts through the journal's editorial manager

<http://yujor.fon.bg.ac.rs/index.php/journal/login>

specifying that their papers are for the special issue “VNS2012”. Do not hesitate to contact the Guest Editors for any further inquiries.
